### SECTION 1.

Section 11A of Chapter 13 of the General Laws is hereby amended by striking it out and inserting in place thereof the following:

#### Section 11A.

There shall be a board of allied health professions, hereinafter called the board, which shall consist of eleven members to be appointed by the governor. Members of the board shall be residents of the commonwealth and be citizens of the United States. The board shall meet as a whole to determine all administrative, personnel, budgetary and policy matters. The board shall adopt rules and regulations relating to professional conduct to carry out the policy of the board including, but not limited to, regulations relating to professional licensure and to the establishment of ethical standards of practice for persons holding a license to practice athletic training, occupational therapy, or physical therapy in the commonwealth. The board shall conduct meetings and keep records and minutes as are necessary to carry out its duties. The board shall provide reasonable public notice of the times and places of all meetings, in such manner and at such times as it may determine.

Each member of the board shall serve for a term of three years. No member shall be appointed to more than two consecutive full terms, provided, however, that a member appointed for less than a full term may serve two full terms in addition to such part of a full term, and a former member shall again be eligible for appointment after a lapse of one or more years.

A member of the board may be removed by the governor for neglect of duty, misconduct, malfeasance or misfeasance in office after being given a written statement of the charges against him and sufficient opportunity to be heard thereon. Upon the death, resignation or removal for

cause of any member of the board, the governor shall fill such vacancy for the remainder of that member's year.

The board shall, at its first meeting, and annually thereafter, elect from among its members a chairman, vice-chairman, and a secretary. Such officers shall serve until their successors are elected and qualified. The board shall meet at least quarterly or more often upon the call of the chairman at such times and places as the chairman shall designate.

Each member shall be reimbursed for necessary expenses incurred in the discharge of his official duties.

#### Section 11AA.

The board shall be composed of an athletic trainers section, an occupational therapy section, and a physical therapy section. A majority of the members of each section shall constitute a quorum to transact and vote on the affairs of the section. Each section shall meet quarterly or more often upon the call of the chairman at such times and places as the chairman shall designate.

Three of such members shall be athletic trainers licensed in accordance with the provisions of section twenty-three B of chapter one hundred and twelve. Such members of the board shall sit on the athletic trainers section. The athletic trainers section of the board shall have full authority to act on behalf of the board on all matters concerning the practice of athletic training and, in particular, the examination, licensure, and suspension or revocation of licensure of applicants and athletic trainers. The athletic trainers section of the board shall conduct hearings and keep such records and minutes as are necessary to carry out its duties. The section shall provide reasonable public notice of the times and places of all hearings authorized under this section, in such manner and at such times as it may determine. The athletic trainers section may issue subpoenas and examine witnesses.

The occupational therapy section of the board shall conduct such hearings and keep such records and minutes as are necessary to carry out its duties. The section shall provide reasonable public notice of the times and places of all hearings authorized under this section, in such manner and at such times as it may determine. The occupational therapy section may issue subpoenas and examine witnesses.

#### Section 11AAAA.

Two of such members shall be physical therapists licensed in accordance with the provisions of said section twenty-three B. One such member shall be a physical therapist assistant licensed in accordance with the provisions of said section twenty-three B. Such members of the board shall sit on the physical therapy section. The physical therapy section of the board shall have the authority to act on behalf of the board on matters concerning the practice of physical therapy and, in particular, the examination, licensure, suspension or revocation of licensure, and suspension or revocation of licensure of applicants, physical therapists, and physical therapist assistants.
